

IS IT EXPEDIENT THAT MUNICIPAL SUFFRAGE BE GRANTED TO WOMEN?

ONE HUNDRED PROMINENT MEN ADDRESS THE PEOPLE

And Urge the Voters to Vote "No" at the State Election.

TO THE PEOPLE OF MASSACHUSETTS:

A law was passed by the last Legislature providing that all persons qualified to vote for School Committee at the approaching State election, whether male or female, shall have an opportunity at that election to express their opinion, "Yes" or "No," on the question:

"Is it expedient that Municipal Suffrage be granted to women?"

The question is of grave and far-reaching importance.

As has been declared by the Supreme Court of the United States, no man or woman has a natural or inherent right to vote. The question must be decided by considering what the welfare of the public as a whole demands. The preamble to the Constitution of Massachusetts contains the assent to or approval of the scheme of Woman Suffrage.
